Ye "Formal Letter" section mein kafi baar aata hai.

**To, The Editor,** [Newspaper ka naam, jaise: The Times of India] [City]

**Subject:** Frequent breakdown of electricity.

**Sir,**

Through your newspaper, I want to draw the attention of the electricity department to the problem of frequent power cuts in our area.

Our board exams are coming soon. Because of the power cuts, we cannot study at night. It also causes many other problems for the residents.

I hope the authorities will take some action soon.

**Yours truly,** [Aapka Naam]
